

CARHE Opportunity for Partnership 2024

Questions and Responses

2/26/24

Does the CARHE support for selected projects include funding?

No, this opportunity does not include financial support.

Are non-profits that are providing services in New Hampshire, but based out of a more urban setting such as Manchester, eligible to apply?

Yes, as long as they demonstrate how their project focuses on serving rural communities.

Could CARHE help projects with strategic planning, grant seeking and writing, and sustainability planning?

Yes

How many projects does CARHE have the capacity to support during this 2024-2025 project period?

CARHE can support approximately 3-5 projects during the upcoming project period depending on the project scopes and staff capacity.

Do CARHE staff or students provide project support?

CARHE Project Managers and the CARHE Manager provide direct support to selected projects and can also bring in support from additional Dartmouth Health staff based on needs and capacity.
